

Red Lion Christian School Continuation Form

February 7, 2024

Dear Parents,

Red Lion Christian School is making plans for the 2024-2025 school year. In order to do so we must know how many students will be in each class. We have begun setting up interviews with new parents who are interested in enrolling their child/children for the upcoming school year. We will need to know how many students are returning from each class so that we will know if a class is full before we accept any new students. **If you have any other children in your family that you want to enroll for the upcoming year, please let us know at this time by going online and completing an application.**

There will be a small increase in tuition for the 2024/2025 school year of \$5.00 per month. If you have any other questions, please feel free to contact the main office.

We will need the completed Continuation Form returned to the office by **Wednesday, February 21, 2024**. Please fill out the form below (**one for each child**) whether your child is returning or not. If your form is not returned by the deadline we will not reserve a space for your child. If you have another child that will be starting school in the fall, please write their name and grade on this form.

Thank you for your cooperation.
